Trinidad Express / The trinidad+tobago film festival (ttff) heads back outside in April, for three nights of open air cinema in Chaguaramas, Chaguana and San Fernando, as part of its Community Cinergy Series, sponsored by bpTT.

The films, featuring creative geniuses who push the boundaries of bold-facedness and daring, are free and offer a great night out under the stars for friends and families.

Films include an animation in Hindi with English subtitles suitable for all ages; a fictional narrative about jazz legend Miles Davis; and All Oceans Blue, a documentary made by and about the around-the-world-adventures of local seafarer, Harold LaBorde.

Film details and screening times are as follows:
